Snowy & Winter Weather Updates:

This is a friendly reminder to make sure your child comes to school with the necessary clothing for the weather. We will go outside for recess and walk to the church for Mass as long as the temperature is above the “feels like” temperature of 10 degrees.

If weather does not allow us to attend the 9am Mass at church, we will celebrate Mass here at school at 10am on Fridays.

Also, we will **not** always call the same delays/snow days as the SVSU. Please make sure you check your emails, text messages, voicemails, Facebook and/or WCAX for delays/closings due to inclement weather. If you have not been receiving the alerts, please call the office to make sure your contact information is up to date.

TUITION ASSISTANCE for the 2023-2024 School Year

Tuition assistance applications will all be done online this year. You may begin the application process starting on March 1, 2023. **Families who are currently enrolled and seeking assistance must have these completed by March 31st, 2023.** If you are seeking assistance, please keep in mind:

- You must file these forms by the stated due date.

The scholarship fund is limited and you will not be awarded funds if you do not fill out in time.

• FACTS has a toll free number if you need help filling out your application. It is not something that Mrs. McKenna can help with. Grant Aid applications assure fairness to all our families. Tuition contracts with awarded assistance amounts will be sent home to families in the spring.

There will also be “Town Halls” in late February/early March. All families requesting tuition assistance must attend one. Be on the look out for more information soon.

Valentines Celebrations

Classrooms will be having Valentines celebrations. Each teacher will give families specific details. Please make sure you bring treats for the celebrations for all students in the class. Teachers will send home a full list of students first names. We love an opportunity for our students to share positive affirmations and appreciation with each other.
