2023-2024 Registration

Tuition contracts will be sent home to all our families by April 28th. These letters will also indicate the discount amount for those families who are eligible for tuition assistance.

Applications for financial assistance were due to FACTS last week. Registration deposits (\$125 for those paying monthly and \$75 for those making one or two payments) along with contracts will be due back by Monday, May 15th. Deposits are not refundable and they are not to be deducted from the total tuition.

Contracts must be signed in order to reenroll your children for the next school year. If you do not plan to return and you haven't informed the school yet, please do so as soon as possible.
