### TUITION FOR 2022-2023

Timely payment of tuition is critical for the effective and efficient operation of Sacred Heart St. Francis School. Our school's tuition policy is as follows:

- The tuition for Preschool-8 for the 2021-2022 school year will be \$5430 (for 1st child) / \$5230 (for 2nd child) / \$5030 (for 3rd child). Rates may vary for Preschool depending on schedule options.
- The “actual” cost of educating a student at The School of Sacred Heart St. Francis de Sales for the 2022-2023 school year will exceed \$6000.
- Families will be assessed the tuition cost to educate each child at Sacred Heart St. Francis de Sales and if there is a need for scholarship assistance, a financial aid package is available.
- The process to determine a family's need for assistance will be through a third party evaluation done by the FACTS Grant and Aid Assistance Program. To keep confidence and honor a family's privacy, only the Principal will know what each family will be paying for tuition.

- Financial aid from our school is not available for any student attending our Preschool program, but some Preschool families may be eligible for the Vermont Child Care subsidy
- Catholics who are registered in other parishes are also eligible to apply for assistance. These sending parishes provide some assistance through the Diocese of Burlington to Sacred Heart St. Francis de Sales for the children of families that they have registered in their respective parishes.
- Families that are not Catholic may also apply for tuition assistance and are required to participate in fundraising activities.
- Assistance amounts will be announced in April. Each family applying for aid will receive a tuition contract announcing their scholarship amount.
- FACTS Tuition Management has a toll free number if you need help filling out your application. You must file your application on-line. There are no paper applications.
