The process to determine a family’s need for assistance will be through a third party evaluation done by the FACTS Grant and Aid Assistance Program. To keep confidence and honor a family’s privacy, only the Principal, the Pastor, and the parish and school finance directors will be privy to a family’s application and tuition information.

All families are expected to participate in fundraising activities and volunteer for community events.

For families applying for tuition assistance, amounts will be announced in each Spring. Each family asking for assistance will receive a tuition contract clarifying their tuition amount.

FACTS Tuition Management has a toll free number if you need help filling out your application. You **must** file your application online. There are no paper applications. All necessary documentation must be uploaded for a application to be considered complete.
