Happy Retirement

It is bittersweet to announce the well-deserved retirement of our beloved Mrs. Greenslet. Mrs. Greenslet has given her heart and soul to educating the hearts and minds of our children for over thirty years. We are ever so grateful for all her time and commitment to not only our students but their families as well.

Congratulations, Mrs. Greenslet! We love you!

2024 Solar Eclipse

On Monday, April 8th, Bennington will be able to see the Solar Eclipse at 96.8% totality! Due to this event, the anticipated traffic expected to enter into Vermont, and safety for our students and families at our normal dismissal time, we will be dismissing at noon.

Students will receive a pair of eclipse glasses to safely watch the eclipse and we hope you all enjoy this memorable event.

Enrollment Contracts for the 2024-2025 School Year

A “Letter of Intent to Enroll” will go home this week. The committee that decides tuition assistance will be meeting mid-April to go through applications and make tuition decisions. Families should expect enrollment contracts to go home during the week of April 29th. They will need to be returned within two weeks with the registration fee.
