FAMILY VOLUNTEER EXPECTATIONS & OPPORTUNITIES

Each family is expected to support and participate in the fund-raising activities of the parish/school. This means each family shares in the responsibility of educating our children and show, by example, the importance and value of service. There are many ways you can give back to our school community:

- Attend our "work parties" on Sunday, July 27th from 9:00am-Noon or Wednesday, August 13th from 9am to 12 pm to help us prepare our school and grounds for the upcoming school year.
- Volunteer to help serve lunch.
- Be a "room parent".
- Become a member of our PTG and/or chair a fundraising event/committee of the PTG.

More opportunities will arise throughout the year. Our school can only benefit from involved parents and families. Remember, many hands make light work - and we have a lot of fun doing it!

Mission Statement

With great joy and a deep sense of purpose, we are pleased to introduce the new mission statement for our beloved school. Rooted in our Catholic faith and guided by the traditions of the Congregation of Holy Cross, this mission reflects not only who we are, but who we aspire to be as a school family.

This statement is the fruit of prayer, reflection, and collaboration—shaped by the voices of our parents and school-board members, staff members, and students. It honors our rich history while looking forward with hope, calling us to nurture the hearts and minds of every child entrusted to our care.

As we embrace this renewed mission, may it serve as both a compass and an inspiration, strengthening our shared commitment to faith, academic excellence, service, and love.

The School of Sacred Heart St. Francis de Sales is a community dedicated to making Christ known, loved, and served. We nurture both the hearts and minds of our students through a respectful and challenging academic environment. Guided by our faith, we strive for excellence and aim to be disciples of Christ, bringing hope and service to others.

*Welcome
to our newest staff members!*

We are delighted to announce that Mrs. Kathleen Backus, Mrs. Julie Lloyd, and Mrs. Annette Baldic will be joining our staff this year and we are grateful for their dedication to our mission.

Mrs. Backus comes to us as our new 5th –8th grade ELA teacher. With years of experience across grade levels at other local schools and history as the Reader's Choice 'Best Teacher', we are thrilled to have her joining our community.

Mrs. Lloyd will be continuing the loving and engaging environment we have all come to know and love in our preschool. Having been a teacher and parent here many years ago, Mrs. Lloyd is also bringing many years of experience to the table. She is excited to take on this role and be a part of our community once again.

Mrs. Annette Baldic will be working part time as a preschool aide a couple days a week. She is the mother of our lovely Mrs. Coyne (also a preschool aide) and a former nurse for SVMC.

We are blessed to have you all!
