## Tuition Payment Reminder & Timely Tax Filing

The second payment for families that chose the two-payment plan for tuition is due by January 15th. Please send a check to the school by this date. If you are unaware of the amount of your second payment, please contact Mrs. McKenna prior to that date.

All families need to be sure to collect the necessary documentation and file their 2023 taxes in an timely manner so you have the information needed to complete the FACTS tuition application. The 2024-2025 application for tuition assistance will open on March 1st and will need to be completed by March 31st by all families asking for assistance.
