**THANKS FOR
CELEBRATING
130 YEARS
WITH US!!**

Dear School of Sacred Heart St. Francis de Sales community:

I cannot believe this school year is already over. What a blessing it is to be a part of something so wonderful. I cannot thank you enough for sharing your lovely kiddos with me. I have thoroughly enjoyed getting to know them and having them be a part of my daily life. I'm already dreading a summer with a less lively building.

It would be dishonest for me to say this year was easy. Together we got through another year of a pandemic. This year, in many ways, was more difficult than the last. Our community showed great perseverance and strength. The teachers and staff here have shown their commitment and love which radiates from them each and every day. I know I could not have done this year without them and I thank them all for their passion, support, love, and consistency.

Next year will be another year of growth and change. While I am sad to see Father Bob go, I know it is a well deserved retirement and I wish him only the most happiness in his retirement. I look forward to continuing a relationship with Father Hugh and working with the new pastor, Father Kevin Russeau, CSC, when he arrives. Another change to look forward to, and more information will be released soon, is a slight change in the uniform policy. A summer newsletter will contain more information.

I wish you all a restful and fun summer and I am already excited to see kiddos come through those doors in August. May God bless you all as He has blessed me.

Mrs. Tiffany McKenna
Principal
