SAINTS BASKETBALL HOME GAME SPECTATORS POLICIES

For home games, only one spectator per player will be allowed. All will be required to wear masks and no food or drink will be allowed in the parish hall where the games are played. No away spectators will be permitted. Spectator rules for away games are determined by the away team.

Go Saints!

Catholic Schools Week

Catholic Schools Week will begin on Sunday, January 30th. We ask you to celebrate with us the fact that our school has been enriched by God's gift of faith!

Catholic Schools Week 2022 provided us with an excellent opportunity to demonstrate to the greater community what our Catholic school community already knows and loves...that we are forming a strong future full of faith and promise.

While COVID-19 continues to linger, it will still be a different Catholic Schools Week than some of you might be used to. Regardless, we will share the Good News of Jesus and celebrate the wonderful joy that our school brings to us all. On Monday, January 31st, we will be blessed to welcome Bishop Coyne to a school mass. Be on the lookout for a complete calendar of CSW events as it gets closer. The daily themes will be as follows:

- Sunday, January 30th : *Celebrating our Parishes*
- Monday, January 31st : *Celebrating our Community*
- Tuesday, February 1st : *Celebrating our Students*
- Wednesday, February 2nd : *Celebrating our Nation*
- Thursday, February 3rd : *Celebrating our Families*
- Friday, February 4th : *Celebrating our Teachers and Staff*

Let us all pray that 2022 will bring some of the much needed relief we all need from the COVID-19 pandemic. Unfortunately, right now cases are continually rising and the health and safety of our students, staff, and community is of the utmost importance. We must continue to follow basic rules to keep children's education as uninterrupted as possible.

Please keep your children home if they are showing any symptoms or are feeling unwell. Getting tested for COVID-19 is easily accessible, thanks to the SVMC's COVID Resource Center and their incredible staff. Rapid tests are also becoming more readily available. Wash your hands and wear masks.

Be kind. This is not easy on anyone and the constant uncertainty can be overwhelming. Be kind not only to others but to your self. Make sure you find time to do something that feeds your soul and to find enjoyment in every day. We need to be patient and pray. God listens, let Him.

May God bless you all with
a happy and healthy year.
