## Registration for 2022-2023

Tuition letters will be sent home to all our families by the end of April. These letters will also indicate scholarship awards for those families who are eligible for tuition assistance. Applications for financial assistance were due to FACTS last week. Registration deposits (\$125 for those paying monthly and \$75 for those making one or two payments) along with contracts will be due back by Monday, May 9th. Deposits are not refundable and they are not to be deducted from the total tuition.

**Contracts must be signed in order to reenroll your children for the next school year. If your children will not be returning to SHSF, we will also need to know that before the registration date of May 9th.**

## From the Principal

How is it April already?! Easter is the commencement of a season of new life. It is seen all around us. It is a reminder to us to act like Jesus did and forgive those who we feel may have wronged us. I challenge you all to use this refreshing season and start a new, respectful relationship with someone unexpected. You'll be surprised what kind of joy it will bring you and what a wonderful example you will be for your children.

I have been challenging your children to do the same. To brighten the day of someone, friend or not, who might need it. Small acts of kindness go a long way and really are quite contagious.

I wish you all a beautiful Easter with your families. Like we say during the Christmas season, remember the reason for the Easter season and find joy in the ultimate sacrifice that was made for us and what it means for us all. He is risen!
